**Duties of campground host**

- Provide quality customer service and represent Missouri State Parks in a professional manner. Appropriate attire is expected when on-duty in the campground.
- Courteously educate campers and visitors of park rules as necessary and inform park assistant superintendent, park superintendent, or park ranger of any major problems.
- Manage reservation requirements for assigned campground: report to the office by 9:00 am each day to pick up reports and tags, change vacancy/occupied cards as needed, remove expired camping tags by 2:00 pm.
- Monitor restrooms and showers regularly throughout the day to stock toilet paper, sweep, and wipe down sinks when needed.
- Remove ashes and debris from fire pits as needed during regular campsite turnover. Monitor dumpster areas and pick up trash throughout the campground.
- Patrol the campground and parking areas.
- All other maintenance needs (major messes, leaks, repairs) should be promptly communicated to the assistant superintendent or park office.
- In the event of a storm watch or warning, hosts will be asked to assist in notifying campers.
- Hand out and collect recycling bags.
- Hosts may be trained and asked to assist with leaf blowing, weed eating, or other grounds maintenance. Hosts may also be trained and asked to assist in the nature center with greeting visitors and answering questions?
- Hosts are expected to work closely with full-time park staff including office, maintenance, and interpretive personnel. Hosts should be willing to accept an assignment requested by any full-time staff member.
